**Parents
And
Community for
Excellence**

**Oswego School
District 308**

What is PACE?

Parents and Community for Excellence (PACE) is a support for Oswego School District 308's Academically Talented (AT) Program. In 1994, the organization was formed from a group of parents and teachers who banded together to establish a formal gifted program in the district.

- ◆ Today, the group is recommitted to providing AT parents with a forum:
- ◆ To speak with a unified voice for expansion of the District's AT program.
- ◆ To enhance our district's reputation for education excellence.
- ◆ To establish and retain AT funding.

PACE MISSION...

To promote and support a challenging and responsive education for gifted and academically talented children attending Oswego District 308 schools.

PACE GOALS...

Educate, Advocate, Support and Serve

- ◆ To promote an educational environment in which all students are encouraged to strive for excellence.
- ◆ To advocate on behalf of AT students in District 308.
- ◆ To provide a parent network through which mutual concerns may be shared.
- ◆ To assist and encourage parents and other school community members in meeting the needs of gifted and academically talented children.

MEETINGS...

Members are informed about monthly meetings and events via email.
